MyEspresso Showcase

Colour scheme: red

Colours and Text

1 Colours and Text
2 Theorem-like Environments
3 Blocks and Asides

Role colours

	role	used by	
	structure	titles, block titles, theorem family, covers	#990000
	structure!60	list markers, links, citations	#C26666
	theme alert	`\alert`, alertblock, `\boxalert`	#E66C11
	xcolor `alert`	beamer's fixed red, `\textcolor{alert}`	#F20000
	definition	definition titles (`mydefinitioncolor`)	#FFBF00
	example	example, exampleblock (`mypurple`)	#702963
	info	information (`mycalloutcolor`)	#006666
	remark	remark box	#333333

author@example.org

Inline highlights and links

- `\alert`: an alerted phrase
- `\boxalert`: a boxed alert
- `\textcolor{alert}`: a red highlight
- `\structure`: a structure phrase
- `\emph`: an *emphasised phrase*
- A link to the role colours, a URL `https://example.org`, and a citation [1]

author@example.org

Lists

- First item
  - Nested item
- Second item

1. First step
   a. Nested step
2. Second step

Term A description.

Longer term Another description.

Theorem-like Environments

1 Colours and Text
2 Theorem-like Environments
3 Blocks and Asides

The theorem family

Theorem (Main result)

The headline statement.

Proposition (Supporting)

A statement declared by the document.

Lemma (Technical)

A step on the way.

Corollary

A consequence.

Fact

A known fact.

author@example.org

Definition (Admitted pair)

A named object.

Definitions

Several named objects.

Proof.
A short argument. □

Example (Torus)

- A list inside an example

Examples

Several instances.

author@example.org

Blocks and Asides

1 Colours and Text
2 Theorem-like Environments
3 Blocks and Asides

Blocks

block

- Plain block

alertblock

- Alerted block

exampleblock

- Example block

author@example.org

Information

An informational aside.

Remark (Scope)

A remark box.

Note: e_class callout

The e_class note box, framed in `mycalloutcolor`.

author@example.org

Quotation and abstract

> *Less is more.*
>
> Halmos

Abstract

An abstract set between two rules.

author@example.org
